21. EQUIPMENT AND MEASUREMENT CHECKS

- 21.1 A boat or equipment may be inspected at any time for compliance with the class rules, notice of race and sailing instructions.
- 21.2 [DP] At sea, a member of the technical committee may ask a boat to sail immediately to a given area for inspection.
- 21.3 Trackers must be stored in the provided pocket strapped on the starboard pushpit at the back. You must not switch on or off all buttons. Trackers must remain at this position all event long except in case of request of Metasail to charge the trackers.
